

## Progress and Poverty (Paperback)

By Henry George

Shepherd-Walwyn (Publishers) Ltd, United Kingdom, 1999. Paperback. Condition: New. New edition. Language: English. Brand new Book. This classic work is an enquiry into the cause of industrial depressions and the persistence of poverty amid advancing wealth. Published in 1879, it was admired and advocated by great minds such as Albert Einstein, Winston Churchill, Leo Tolstoy and Sun Yat-sen in China. Henry George lived through a period of American history which witnessed the closing of the frontier, and he noticed the dramatic deterioration in the condition of labour once that happened. While land was freely available wages were high, once it was enclosed wages fell. Adam Smith appears not to have appreciated the full consequences of this, but he was writing before their full horror became evident in the form of landless peasants crowding into city slums, seeking work in "satanic mills" at minimum wages. Henry George, observing similar events in America (he was a journalist), saw the connection between land enclosure and poverty and unemployment. He also realized that the harmful effects could be rectified, without confiscating the land, through a change in the tax system and allowing market forces to work. This classic offers an alternative ethical and practical guide...

### Reviews

*A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be the finest book for at any time.*

-- Mr. Carol Bergnaum IV

*This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.*
